Dear Mr Davidson

We came to see you this morning but you weren't in. We really need to speak to you about the flat. First, thanks a lot for fixing the TV. It's working very well now. Unfortunately, we have some more problems now. The front door doesn't close so we can't lock it when we go out. Could you send the handyman round asap? The other problem is less important. One of the kitchen chairs is broken, so we can only use three at the moment. We're going out this afternoon but we will be in all day tomorrow. Thanks a lot.
